

## April Anniversary ... 1 year!

**EMT** has officially been running Salmon Run Golf for one year. When we took over operations in 2016, little did we know all the “new” challenges (or surprises) that would come our way. This past year has run the gamut with natural and man-made difficulties. There have been great joys which balanced everything out. When we presented a report to the City of Brookings on our first year we listed many of the successes which included the partnership on solving water issues at the course as well as road maintenance. More positives include our fabulous crew and completion of the clubhouse and pavilion tent. Many of these we’ve shared during the year of newsletters and we plan to continue giving updates. We’re looking forward to a few more tournaments this summer including resurrecting the Silver Salmon Ladies Tournament. The Junior Golfing program we’ve undertaken is very important to us as the kids are our future. From junior juniors who come to our week long camps to the Youth On Course tournament and sponsorship program we’ve embarked on a plan to make Youth golfing a priority. We invite everyone to bring their young golfers or to help with a youth golfing event. The rewards are immeasurable. So here we go ... off and running in year 2! Let’s make it a great summer.

## Bruins Golf

Bandon Dunes—5th out of 15 teams

Bandon Crossings—2nd

Brookings School District had spring break prior to the some of the other schools in Oregon. This impacted the Bruins Golf schedule as many of the team were out of town. However, the Hidden Valley Tournament at Grants Pass Country club was at the beginning of the week . Unfortunately a last minute schedule change didn't get to the coach in time. Even though the team was disqualified (for not playing with other schools) they would have won by 16 strokes!

Trilliums are special flowers that are rare to bloom. We have several on the course. Take a minute to enjoy.

## Non-resident “Deals”

**April 1st** was our no-fooling deal of the day. We'll announce these “deals” on Facebook usually. If you haven't found us, please check out our Facebook page (make sure it's the right one!)

**April “Deal”** - Non-residents pay resident rates on all Saturdays in April. Instead of \$49 with a cart (regular rate) the cost per player is \$34! You save \$15 per player.

Call the Proshop and mention the April Special when booking your tee time.

### **New Member Category**

In an effort to increase membership, as well as attract younger golfers, we have created a new membership category. The Young Business Player Membership is for players under 50 years old, still working, and features many of the well known benefits from our Players Membership. In addition to unlimited golf with a shared cart, reciprocal play with over 20 Oregon Golf courses, 10% proshop discount, Shop credit account (Member account), and free cart rider 5 times per month (non-golfer). In addition, this new category offers a 1-2 month "Change of Schedule" benefit that will allow working professionals to suspend their membership 1-2 months per year for the first 2 years. We are offering this new category with \$100 initiation fee (regularly \$325-450) and monthly dues of \$150 (single) or \$215 per couple. If you are interested in this great opportunity please contact Val at the proshop! LET'S GO GOLFING.

**New Menu:** A few changes in pricing came out April 1st. Monthly dinners will continue as long as there is interest. Be sure to sign up quickly for these fabulous meals as they have been selling out quickly.
