April 2018

## Springing In ... Year 3

After a beautiful January and February we were not ready for the big rains that came with March. We had a little bit of everything including snow, hail and the worst storm of the season. Our wedding season kicked off during that awful storm but the Luttrell's were married amongst family and friends. We would like to recognize our amazing staff at Salmon Run for helping make this wedding successful, even in the face of disasters (tents collapsing). Everyone rallied to come to our aid and fix "things" so we were ready. The bride and groom were wonderful as well, offering understanding to the uncontrollable challenges. Tell our staff how much you appreciate them when you see them. We tell them often but it helps to hear from others. A special thank you to Sandy Hislop for lending her catering knowledge (and hands) for this event.

We were fortunate to have a very warm week to end March (we might have to start watering!) but due to all the wet weather we were not able to aerify this month. We have tentatively scheduled aerifying for April 17-19. Stay tuned for announcements on social media and front door signage.

Speaking of signage, we posted a sign about surveillance on the course. Sadly, we've had some damage done by golfers and without a way to truly identify who was at fault we could not take action. This is an effort to hold golfers accountable for their actions. It is disheartening to work so hard on the greens and have massive damage. Elk are one thing ... golfers another. We will be moving the surveillance to cover different areas. As a bonus we've recorded bobcats, coyotes, turkeys and a lot of skunks!

April 1st marks 2 full years EMT has been at Salmon Run. While we've encountered our share of challenges, it has not been without the support of many of our golfers. We feel we've made good friends and had opportunities to learn from our course peers. We are looking forward to a great spring and summer season with many weddings, tournaments, business league and junior camp starting.

~Gary & Val

### In This Issue

- Springing In...Year 3
- What's Happening
- April Specials
- Coming Events
- Member benefits

**Two tents and a canopy—trying to survive the storm.**

## What's Happening: April 2018

- April 28—Wedding reception
- April 30—BHHS Golf Invitational

### Member Benefits

Members of Salmon Run Golf Course can take advantage of "Sister Course" rates. Many of the courses will allow members to golf for \$20. Eagle Point Golf Course is one of those courses—there are a few restrictions and our proshop MUST call to make tee times for you. So if you are traveling and want to play a course, let us know and we'll call for a tee time for you. It never hurts to ask if another course will give a discount for members. AND if you aren't a member at Salmon Run? Be come a member! We have a variety of memberships to suit many needs. If you have a business check out our business memberships that will give you some rounds of golf to share with employees, customers or anyone you want!

### "DEALS"

APRIL DEALS—Mention you saw them here.

- April 21—Bring a child golfing (Pay for the youth golfer; your green fees are free!) Cart fees apply.
- Thrifty Thursday—Bring a friend golfing (any Thursday) pay one green fee (cart fee applies for both). Come every Thursday as this lasts all month. Applies to all green fee classes!
- Senior Specials start at 12 PM
