Salmon Run Golf Course Newsletter

November 2019

## Turkey Time

We are entering the winter months with many festivities just around the corner. Our final tournament of the year was a benefit for Katelyn's Cause. The results are on the next page but this tournament is also a memorial for Boyd Carson, long time Salmon Run employee who loved the Greenskeeper's Revenge tournament and helping kids too. We are happy to continue to honor his memory. Our tournaments are over for the year but, already, we are planning for next summer. If you are planning a tournament, let us know.

As our days get shorter, and the season becomes cold, we experience frost delays (and rainy weather) as well as earlier darkness. We thank everyone for their patience during these trying times. We endeavor to get everyone golfing as much as possible—keeping them safe and protecting the hard work of the course maintenance crew. Please check the front door for “carts in” timing.

We've had some interesting photos on our surveillance cameras lately. The cameras aren't very noticeable—especially when concentrating on the great golfing—but there are those around that do notice! See picture to the right.

Hole number 2 is in the process of being fixed after the 2019 flooding. Freeman Rock is busy getting the initial pipe in the approach that will get connected to the slope and drain into the creek. This is an on-going project so Hole 2 will be closed periodically. Please drive carefully around the cart path as it is rather rough now. Additional projects are being undertaken in preparation for winter rains. Please pay attention to NO CARTS signs and CARTS directional signs.

Are you looking for somewhere to have your special Christmas party or event—the Occasion Hall is the perfect place—now with HEAT! Enjoy your turkey day family time. ~Gary & Val

**Black Friday Special (11/29): BOGO—**cart fee applies separately. All prices classes.

**Keep track of us on Instagram & Facebook for more specials.**

## Boyd Carson Memorial Greenskeeper's Revenge for Katelyn's Cause

October 26 didn't cooperate with bad weather for the annual Greenskeeper's Revenge Tournament to benefit Katelyn's Cause but the pin placements were tough. We had 12 teams compete for the title with Musser Olsen Accounting beating out Team Payne with a card off. Both had a 65 for the day with teams stacked up behind them. As in keeping with the previous tournaments, we had mulligans and 50/50 as well as a few raffle prizes to help raise money for our cause. At the end of the day Katelyn's Cause was just shy of \$1500! Many of the KP winners donated their winnings as well as a few of the winning team members. We are grateful for all those who came out to support this fun tournament. We look forward to the 2020 event—last Saturday of October.

## Upcoming Events

November 3—Daylight Savings Time ends

November 17—Baby Shower in Occasion Hall

November 20—Men's Club Turkey Shoot Out

November 28—Thanksgiving—CLOSED

December 7—Christmas Party in Occasion Hall

December 24—CLOSED @ 2 PM

December 25—CLOSED

## SR Ladies Pumpkin Tournament

The Salmon Run Ladies Club hosted their annual pumpkin tournament. Many of the ladies go all out to decorate. These pumpkins provide some extra challenge on the holes and are carefully placed with the help from some of the SR Men's Club. Congratulations to Babe Draheim for the winning pumpkin. (Black & white spider) This year's tournament landed squarely on Halloween!
